We create space solutions for every sporting event imaginable

We are Losberger De Boer, one of the leading global suppliers of modular space solutions for sporting events. We'll help you create the perfect event for your guests or clients.

We design, produce and build top class space solutions. We have a wide choice of highly adaptable event services and structures that can stand alone or be linked to each other and existing buildings. Our structures distinguish themselves by their overall design, build quality, style and the fact that they are tailor-made to suit your needs.

Throughout our long history, we have earned an excellent reputation through supplying creative and innovative solutions for countless national and international sporting events. We have supplied structures for Wimbledon, the Olympic Games, the Volvo Ocean Race, the Commonwealth Games, the 24h Le Mans and international golf tournaments like the Dutch Open and Ryder Cup.

Everything for your sporting event

We have a broad product catalogue of structures that are perfectly suited to sporting events. Whether you need an excellent venue, stunning hospitality accommodation or highly functional support structures (entrance, ticket box, dressing rooms, press center), we have the experience, expertise and product range to offer you the best possible options. We design and manufacture all our own structures, to make sure that we always deliver contemporary accommodations that live up to our own high standards.

A centennial company

In 2019, Losberger De Boer became a centennial company. At 100 years of age, we are one of the industry leaders in our field. The key to our longevity and success has always been our absolute focus on our client's goals. We take great pride in providing you with the best possible space solution for your event and are dedicated to giving you the best possible customer experience. We are here to meet your challenges and our main drive is to make sure you achieve your goals. We are Losberger De Boer, committed to your success.

Expect everything from your partners

Whether you are looking for accommodations for an event on a nationwide or regional scale, always work with a partner that you can trust to get the job done under any circumstances, so that 'the show' will always go on. Choose a partner that will challenge you to create a unique and unforgettable experience and one that is truly committed to the success of your event.

Regardless of weather conditions, infrastructural challenges, unforeseen circumstances, or problems with the condition of the site, the show must go on. Always. Our products are designed to live up to the highest global standards in safety. This is one of the reasons Losberger De Boer is one of only a very few temporary space suppliers that is allowed to build in Tokyo in 2020, an area that is known for its violent earthquakes and flooding. We offer the highest standards in terms of structure integrity, and Health and Safety compliance.

Flexibility comes with experience

When it comes to picking a partner, experience is key. An experienced partner knows the logistical challenges of major sporting events, can work with a tight planning and can deal with unforeseen circumstances. An experienced partner is flexible and always has a Plan B. We are 100 years old, and with age comes experience.

Choose Losberger De Boer, if you want

- An experienced Account Manager who is focused on your needs, on providing you with the perfect space solution and the best possible customer experience;
- A partner that will both help and challenge you to create the best possible experience;
- An experienced Site Manager that ensures a quick, well organized assembly & turnkey handover;
- The highest quality structures available;
- A space solution that fits your needs exactly;
- The assurance that the event will go ahead, no matter what;
- A partner that is committed to your success.

Top of class hospitality

Premium hospitality space solutions at 24h le Mans.

Let us help you to do the best job possible

Hosting or organizing a sporting event takes a lot of time. We are happy to help you and take work off your hands by offering you a one-stop shop experience.

Whoever organizes a major sport event has to overcome numerous obstacles. Tournaments have to be planned in the shortest time, budgets must be calculated, athletes engaged, authorisations need to be obtained, and locations have to be booked. We know this. That's why we offer to help you with as much as possible.

Apart from providing you with a spectacular hospitality structure, we can also help you accommodate other guests, the press, the audience and athletes or teams in temporary accommodations. We can build an entire village with canteens, break rooms, dressing rooms, security checkpoints and retail space. And thanks to the quality of our structures and our experience in decoration, your visitors won't believe they're inside a temporary building.

Additional services

We can support you even further with comprehensive additional services. Our experienced team can help you find the perfect partners to create the perfect atmosphere and comfort level for all visitors. Would you like us to take care of the interior decoration, to help you create a fully immersive brand experience? We can also supply you with heating, air-conditioning, sanitary units, lighting, security, permits, and so on.

We have a wide network of trusted partners, whose quality of work we can guarantee. We'll contact them and make sure that you swiftly receive an offer that meets your requirements and budget. While we ensure that everything is arranged to the last detail, you can focus on your role and the success of your event.

„Working with Losberger De Boer is very pleasant, because they look at things from your perspective. Their focus is on providing a suitable solution and our sparring sessions have helped me a lot. I was also impressed with the quality of their structures.“
